Remarks:

- Photontec can make this part with an E2000 connector. It's more expensive than other products because it's no standard product of them.
- For a first order we kindly ask you to pay the goods in advance. (see payment terms)

Conditions:

- Price : excluding V.A.T. and based on an exchange rate of € 1 = 1,1913 \$. In case of variation beyond 2% the prices will be revised with the exchange rate on the day of delivery.
- Delivery time : after receipt of your written order.
- Delivery : to your address within the BeneLux at no charge.
- Payment : Within 30 days after the date of invoice (according to the European Directive 2000/35/EC).
For a first shipment, we kindly ask you to pay the goods in advance.
- Warranty : 12 months.
- Export limitations : Exporting or re-exporting of certain delivered goods and technical data are subject to export control regulations. You are responsible for following these regulations. In case of export, you must contact BFi OPTiLAS for specific export license information.
- Property reservation : Property of the delivered goods passes on to the buyer after payment of the total amount of the invoice to BFi OPTiLAS.
- Conditions : The general conditions of the association of "Federatie Het Instrument" are applicable. These conditions are registered at the clerk of the country court in Utrecht on 22-12-1998, number 429/98. We will be pleased to send you a copy of the conditions upon request.

We hope that our proposal meets your expectations. If you have any further questions or concerns, please feel free to contact us by telephone at the following number :
